A hotel stay can be novel but sometimes can be a disappointment. The room is sometimes too small and usually there will be no where to cook your favourite meals, not to mention the time restrictions and parking. This is where serviced apartments can be of service to you.

We provide cost-effective service accommodations to guests who are looking for a hotel alternative for themselves and their families. Our accommodation is the perfect solution for the home away from home. At Colann\_Shortlet, we take pride in our service and put our customers at the heart of all that we do. Our guests have the benefit of being in touch with our team 24 hours a day, 7 days a week.

Whether your stay is for business, leisure or relocating, our aim is to make sure your stay is faultless, providing much more than the comfort of a hotel room. Colann\_Shortlet has the perfect serviced accommodation as well as a price option to suit your needs.

## Business or Leisure Lets

Whether your stay is for business or leisure you will find our extensive portfolio offers you a suitable alternative to a hotel. Giving you the convenience of your own fully equipped kitchen, Spacious airconditioned living areas with all the mod cons and most importantly your own privacy.

Many hotels these days are designed on a numbers game and quite often are very noisy especially late at night. Our serviced apartments are set in quiet residential areas providing you with a home away from home feeling.

Unlike hotels, the price you see is the price you pay. There are no hidden extras added to your bill at the end of your stay.

We offer FREE WiFi and this has been a unique selling point to many of our guests.

We DO offer short-term lets and are flexible if you need to extend your stay. All of the standard utility bills are included in the nightly rate so there are no additional costs at the end of your stay – the price you are quoted is the only price you will pay.
